13. Sven Nielsen HVO 2:57.01 (1:35.00+1:22.01)

* Control #3 on Orange course/Red2 (code 103) was restored in correct location around 1:40 pm. Those passed this control before 1:40 pm, received 90 seconds credits, already shown herein.

** As it was announced prior the event, the Red course results were to be calculated as a combined time on Green and Orange courses. However, some runners never got a finish time from the Green course and a second start onto Orange course. Therefore they have only a combined time – without results neither in Green category nor in Orange one.
